Cheshire to China Raising funds for Men's Mental Health

Update from Eddie :On 28th Oct at 10:52am Edmund reached the Chinese border.

It really has been an epic journey in every sense—planes, trains, automobiles, and a lot of cycling. Along the way, he's had to overcome multiple bike failures, illness, border closures, and more—enough to test anyone's resolve. He's also managed to raise an incredible amount for the mental health charity he's supporting. If you made a donation, my sincere thanks; if you haven't and would like to, it's not too late—I've included a link to his JustGiving page below, which also contains links to his Instagram and TikTok accounts where he has posted regular updates on his journey.
